How to book programs...

A school day of student programs is \$500. This can be a combination of two programs, a presentation plus four class 'labs', or five class lab activities.

A morning of activities is \$350.

Teacher workshop fees are based on hours of contact, at \$250 per 90 minute session. Up to three sessions can be scheduled for one day.

Custom workshops based on eLeMeNTS modules can be created to meet the needs of your school or system. A preparation fee would be added to the contact cost.

eLeMeNTS is located in southern New Hampshire. Mileage or other travel related expenses will apply for work which is more than 25 miles from Durham, New Hampshire.
